July 2, 1913.

Earl Fisk arrived home from Norwich University Friday for the summer vacation. Mr. Fisk made some remarkable records in target practice, winning a medal from the government for work as a marksman. Out of 250 shots he got 188 bull's eyes and only 167 are required. Three more points would have given him the title of "sharpshooter." Thus the records of the boys of B. A. grow.

Eight veterans took the train here for the great reunion at Gettysburg this week, where the blue and the grey will meet after 50 years. Then it was war but now peace prevails. The Village Improvement society has placed garbage cans in several places by Nute's store, the railroad station, Hunter's, the Fruit store, Seaver's and Barrows'. With a very little trouble the streets can now be kept free from rubbish, especially banana skins, orange peel and so forth, not only by each one being careful to deposit his own refuse in the cans but picking up that which his less thoughtful neighbor has dropped.

The body of Mrs. Henry Chamberlin of Fullerton, Cal., was placed in the family lot in Welcome O. Brown cemetery Sunday. Mrs. Chamberlin was born in New Hampshire but lived here several years some time ago. From here she moved to Newport and went to Denver, Colo., after Mr. Chamberlin's death eleven years ago, to live with her daughter, Mrs. M. E. Dodge, and later went to California with the family. She was 82 years of age, and had been sick about four months with cancer previous to her death on June 20. The funeral was held from the M. E. church, Rev. A. B. Blake, officiating.

The "Progressive Supper" at Mrs. Geo. C. Lang's Wednesday netted the Village Improvement society a little over \$35.00. This money pays for the new garbage cans, and leaves a balance which, with the dues already collected, will finish paying for the park and leave the society out of debt. It is hoped that the next work undertaken by the society will be to beautify the grounds of the railroad station. It should be understood that the V. I. S. has nothing whatever to do with streets or sidewalks, that being the work of the trustees entirely. The V. I. S. undertakes to beautify and improve some spots which the village could not appropriate money for, but which have a great deal to do with the general appearance of the place. Let every citizen say to himself or herself "This is my village and I want to do my part toward making it clean and beautiful."

MRS. EUGENE ANDERSON

We record with sadness the passing of Mrs. Mamie Anderson, who died at her home here on Thursday, June 26th, after a painful illness of more than two years. She was the only daughter of Mrs. John Salmon, and her death leaves Mrs. Salmon without kin. Mr. Salmon having died several months ago. Mrs. Anderson was quiet and unassuming and her heart went out to those in trouble and only those who knew her can realize the loss to her husband and son. She was very tenderly cared for by her husband during the last months of the illness. Mrs. Anderson was born in this town 42 years ago and has always made it her home. A number of years ago she was married to Eugene T. Anderson, one son, Frank, was born to them. She was a regular attendant at church and was ever ready to do her part in any of the public undertakings. She was a member of Orient chapter Order of Eastern Star of Barton and of the Mite society here. The flowers were many and beautiful, including a bouquet of 42 carnations, roses from the Eastern Star, carnations from the Mite society and many others. She leaves to mourn her death a husband, one son, mother, Mrs. Salmon, and many other near relatives. The funeral was held from her home here on Saturday afternoon, Rev. W. A. Warner of Barton officiating. Burial was in the family lot here.

Out from the home, to her so dear, she passed,
With no goodbye, no farewell at the last.
No more illness, no more nights of pain,
Ours the loss, the heartache, but hers the gain.
Out from a life of happy usefulness,
Out from the home her smile was wont to bless,
Into a land of never-ending day,
Where pain and sorrow never find their way.
When day was new the sudden summons came,
The tired heart was stilled, and life's bright flame
Went out, to shine no more for us below,
But it will be rekindled, 'tis we know;
For love, immortal, cannot pass away,
And somewhere, we shall find our own some day.

Card of Thanks—We wish to thank the many friends and neighbors for their
